This filing increases the rates for Calls All Day and reduces the rates for Business Flex 50. This filing also deletes Business Flex 500 as there is no demand for this obsolete Service. This filing additionally includes the discontinuance of EMBARQ Calling Card Service. This service has been long declining due to the prevalence of prepaid calling cards and wireless phones. Nationwide, of the 91,000 active EMBARQ Calling Cards, fewer than 5,600 cards have been used during the last six months; 99 of the cards were used in South Carolina. Customers are being notified of the calling card discontinuance over several months.

A copy of the customer notice is included with this filing.

Embarq Communications, Inc. respectfully requests this tariff become effective January 1, 2008. Acknowledgement and date of receipt of this filing are requested.

If you have any questions regarding this filing, please contact me at 913-345-7613.

Sincerely,

LuVon Richardson

The Company provides the service of connecting Customers to a nationwide Directory Assistance operator for a per-call charge for intrastate information requests. Customers can receive up to two numbers per request. In order to obtain two numbers, the Customer must request two numbers once the Customer reaches the live operator. The fee applies whether or not the Directory Assistance operator furnishes the requested telephone number(s), e.g., the requested telephone number is unlisted, non-published or no record can be found. Requests for information other than telephone numbers will be charged for as requests for telephone numbers.

National Directory Assistance Service gives a Customer the option of completing a call to the called station telephone number received from the Directory Assistance operator without hanging up and originating a new call. National Directory Assistance Service is offered when a Customer requests intrastate Directory Assistance. A call completion charge applies in addition to the Directory Assistance per-call charge if the Customer accepts the offer. When two numbers are requested from Directory Assistance only the second call can be completed. The call completion fee will not apply if the call cannot be completed.

When a Company Operator assists with a Directory Assistance call the appropriate operator handling charges will apply in addition to the Directory Assistance charge.

(D)

(D)

Requests will be limited to two (2) per call.

A credit allowance for Directory Assistance will be provided upon request if the Subscriber experiences poor transmission quality, is cut off, receives an incorrect telephone number or misdials the intended Directory Assistance number.
